COMPULSORY PE KIT

The following items are compulsory for boys and girls for every lesson:

- School approved PE shorts (Black with Emerald side panel);
- Sports polo shirt with logo (Emerald with Black contrast (panels);
- Long black PE socks (suitable to wear with shinpads);
- White socks (for activities that don't require boots or shin pads);
- Trainers; must have non-marking soles and must be suitable for sport. Converse type / fashion pumps / skater-style trainers / Air Force type are not acceptable.
- Hair bands for all pupils with hair length that may obstruct vision.
- Football/Rugby boots; must have moulded or short screw in studs - please see below for suitable examples.

The following items may be required by boys and girls; pupils will be advised at the start of each year if they will be required (this is also detailed on the curriculum maps on the PE page):

- Shin Pads;
- A gum shield for rugby / hockey – a dentally fitted one is advisable, although a “boil-and-bite” version can be purchased from the PE Office throughout the year.

OPTIONAL PE KIT

- GTS grey sports hooded sweatshirt, printed with pupil’s initials. Recommended for all. Available to order from Instant Images Embroidery and from the Price & Buckland online shop.
- Plain, black tracksuit bottoms.
- Plain black sports leggings, to be worn underneath shorts.
- Towel for showering;
- Winter – hats, gloves (non catching sports), black base layers and plain black sports waterproof.
- Summer – sun cream and cap.
- It is strongly advised that pupils bring a full water bottle to all PE lessons.

JEWELLERY

Our School policy is that ALL jewellery must be removed for PE, including earrings. There are no exceptions to this.

INJURED PUPILS

If pupils are injured, they must bring a note signed by a parent/guardian requesting for them to be excused from fully participating in the lesson. Pupils will still be involved through various roles such as coaching and officiating and will therefore be required to change into their PE kit. We strongly advise in these scenarios that pupils bring GTS PE kit that is appropriate for the weather conditions e.g. if it is cold, pupils bring lots of warm clothing to wear.
